

TEAM ROSTER

The office of 301 Vending needs telephone numbers and addresses for all the players on this team. The reason we are requesting this information is to communicate with you better about the league. It will be used for office use only, and will be kept confidential. Please return this roster, completely filled out. You are allowed 2 subs (2 person team) or 3 subs (4 person team). You have three (3) weeks (after the league begins) to update and make changes—the team must remain within the cap or your team may have to split up or move up. League fees are \$75.00 (2 person team) or \$125.00 (4 person), players are responsible for \$20.00 each & bar sponsorship fee is \$35.00 (2 person), \$45 (4 person).

Money is collected upon team sign-up!
